

Zuriel-“Talk About My Savior”

**1<sup>st</sup> Verse**

Let me talk about my Savior  
Woke up this...oh Savior  
Oh let me talk about my Savior  
Lord you bless me so Ima  
Find time to bless you  
Sneakers or dress shoes  
If I was mute  
I'd take a trip to Paneh  
Pastor Tim help me mime  
Out my praise  
Oh Lord I'll make a way  
Worked two shifts had mighty long day  
Walked in the crib  
Hit my knees I gotta pray  
Our Father, help me seek Your Kingdom  
First and not bother with the covetous  
Mentality of mortality  
The Spirit is willing  
But the flesh tend to get panicky  
So, I keep my mind stayed on Ya  
On my grind approaching destiny  
But Ima wait on Ya  
Put my weight on Ya  
Elevator make it to the top  
Take me higher  
Keep me in your will  
Let me fill your desire

**2<sup>nd</sup> Verse**

Oh let me talk about the Savior  
I done fell in love  
Gave my heart to the Savior  
Thankful for the voice  
That You gave me so I praise Ya  
This true giving the love to the Savior  
Oh let me talk about the Savior  
Woke up this morning  
On my mind was the Savior  
Ima shine love from the pew  
To the steeple  
He inhibits the praise of his people  
Oh let me talk about the Savior  
I done fell in love gave my heart to the Savior  
I'm thankful for the voice so I praise You  
This true worship will save Ya....
